MEMORANDUM FOR: Chief, Defensive Systems Division, OSI  
Chief, Military-Economics Division, ORR

25X1  
ATTENTION: [Redacted]

FROM: Chief, CIA/PID (NPIC)

SUBJECT: Weekly Summary of SAM Installations

During the week of 18 March 1963 the following SAM installations were verified and listed by NPIC:

(1) SA-2 site located 17 nm north-northeast of Irkutsk, USSR at coordinates 52-33-45N 103-23-30E plotted on USATC 0200-22A. Configuration is daisy link. Photo reference: [Redacted]

(2) SA-2 site located 4 nm north-northwest of Ulan Ude, USSR at coordinates 51-54-20N 107-33-45E (USATC 0201-18L) just north-northeast of Ulan Ude army barracks, Berezovskiy. Configuration was undetermined because of snow, but is probably of a standard type. Photo reference: [Redacted]

(3) SA-2 site located 1.0 nm north of Dalnyaya at coordinates 45-55-15N 142-04-30E plotted on USATC 0281-12A. Configuration was undetermined because of snow cover and obliquity. Date of photography is [Redacted]

(4) SA-2 site 7 nm north-northwest of Vladivostok at coordinates 51-22N 13-49E (USATC 0231-48L). Configuration is daisy link type. Photo reference: [Redacted]
